# UNITEDHEALTHCARE INSURANCE COMPANY POLICY ENDORSEMENT

This endorsement takes effect and expires concurrently with the Policy to which it is attached and is subject to all of the terms and conditions of the Policy not inconsistent therewith.

**President** 

It is hereby understood and agreed that the Policy to which this endorsement is attached is amended as follows:

An Insured Person under this insurance plan is eligible for Assistance and Evacuation Benefits in addition to the underlying plan coverage. The requirements to receive these benefits are as follows:

International Students, insured spouse, Domestic Partner and insured minor child(ren) are eligible to receive Assistance and Evacuation Benefits worldwide, except in their Home Country.

Domestic Students, insured spouse, Domestic Partner and insured minor child(ren) are eligible for Assistance and Evacuation Benefits when 100 miles or more away from their campus address or 100 miles or more away from their permanent home address or while participating in a study abroad program.

# **Assistance and Evacuation Benefits**

# **DEFINITIONS**

The following definitions apply to the Assistance and Evacuation Benefits described further below.

"Emergency Medical Event" means an event wherein an Insured Person's medical condition and situation are such that, in the opinion of the Company's affiliate or authorized vendor and the Insured Person's treating physician, the Insured Person requires urgent medical attention without which there would be a significant risk of death, or serious impairment and adequate medical treatment is not available at the Insured Person's initial medical facility.

"Home Country" means, with respect to an Insured Person, the country or territory as shown on the Insured Person's passport or the country or territory of which the Insured Person is a permanent resident.

"Host Country" means, with respect to an Insured Person, the country or territory the Insured Person is visiting or in which the Insured Person is living, which is not the Insured Person's Home Country.

"Physician Advisors" mean physicians retained by the Company's affiliate or authorized vendor for provision of consultative and advisory services to the Company's affiliate or authorized vendor, including the review and analysis of the medical care received by Insured Persons.

An Insured Person must notify the Company's affiliate or authorized vendor to obtain benefits for Medical Evacuation and Repatriation. If the Insured Person doesn't notify the Company's affiliate or authorized vendor, the Insured Person will be responsible for paying all charges and no benefits will be paid.

# MEDICAL EVACUATION AND REPATRIATION BENEFITS

Emergency Medical Evacuation: If an Insured Person suffers a Sickness or Injury, experiences an Emergency Medical Event and adequate medical facilities are not available locally in the opinion of the *Medical Director* of the Company's affiliate or authorized vendor will provide an emergency medical evacuation (under medical supervision if necessary) to the nearest facility capable of providing adequate care by whatever means is necessary. The Company will pay costs for arranging and providing for transportation and related medical services (including the cost of a medical escort if necessary) and medical supplies necessarily incurred in connection with the emergency medical evacuation.

**Dispatch of Doctors/Specialists:** If an Insured Person experiences an Emergency Medical Event and the Company's affiliate or authorized vendor determines that an Insured Person cannot be adequately assessed by telephone for possible medical evacuation from the initial medical facility or that the Insured Person cannot be moved and local treatment is unavailable, the Company's affiliate or authorized vendor will arrange to send an appropriate medical practitioner to the Insured Person's location when it deems it appropriate for medical management of a case. The Company will pay costs for transportation and expenses associated with dispatching a medical practitioner to an Insured Person's location, not including the costs of the medical practitioner's service.

**Medical Repatriation**: After an Insured Person receives initial treatment and stabilization for a Sickness or Injury, if the attending physician and the *Medical Director* of the Company's affiliate or authorized vendor determine that it is medically necessary, the Company's affiliate or authorized vendor will transport an Insured Person back to the Insured Person's permanent place of residence for further medical treatment or to recover. The Company will pay costs for arranging and providing for transportation and related medical services (including the cost of a medical escort if necessary) and medical supplies necessarily incurred in connection with the repatriation.

**Transportation after Stabilization:** If Medical Repatriation is not required following stabilization of the Insured Person's condition and discharge from the hospital, the Company's affiliate or authorized vendor will coordinate transportation to the Insured Person's point of origin, Home Country, or Host Country. The Company will pay costs for economy transportation (or upgraded transportation to match an Insured Person's originally booked travel arrangements) to the Insured Person's original point of origin, Home Country or Host Country.

**Transportation to Join a Hospitalized Insured Person:** If an Insured Person who is travelling alone is or will be hospitalized for more than three (3) days due to a Sickness or Injury, the Company's affiliate or authorized vendor will coordinate round-trip airfare for a person of the Insured Person's choice to join the Insured Person. The Company will pay costs for economy class round-trip airfare for a person to join the Insured Person.

Return of Minor Children: If an Insured Person's minor child(ren) age 18 or under are present but left unattended as a result of the Insured Person's Injury or Sickness, the Company's affiliate or authorized vendor will coordinate airfare to send them back to the Insured Person's Home Country. The Company's affiliate or authorized vendor will also arrange for the services, transportation expenses, and accommodations of a non-medical escort, if required as determined by the Company's affiliate or authorized vendor. The Company will pay costs for economy class one-way airfare for the minor children (or upgraded transportation to match the Insured Person's originally booked travel arrangement) and, if required, the cost of the services, transportation expenses, and accommodations of a non-medical escort to accompany the minor children back to the Insured Person's Home Country.

Repatriation of Mortal Remains: In the event of an Insured Person's death, the Company's affiliate or authorized vendor will assist in obtaining the necessary clearances for the Insured Person's cremation or the return of the Insured Person's mortal remains. The Company's affiliate or authorized vendor will coordinate the preparation and transportation of the Insured Person's mortal remains to the Insured Person's Home Country or place of primary residence, as it obtains the number of certified death certificates required by the Host Country and Home Country to release and receive the remains. The Company will pay costs for the certified death certificates required by the Home Country or Host Country to release the remains and expenses of the preparation and transportation of the Insured Person's mortal remains to the Insured Person's Home Country or place of primary residence.

# **CONDITIONS AND LIMITATIONS**

Assistance and Evacuation Benefits shall only be provided to an Insured Person after the Company's affiliate or authorized vendor receives the request (in writing or via phone) from the Insured Person or an authorized representative of the Insured Person of the need for the requested Assistance and Evacuation Benefits. In all cases, the requested Assistance and Evacuation Benefits services and payments must be arranged, authorized, verified and approved in advance by the Company's affiliate or authorized vendor.

With respect to any evacuation requested by an Insured Person, the Company's affiliate or authorized vendor reserves the right to determine, at its sole discretion, the need for and the feasibility of an evacuation and the means, method, timing, and destination of such evacuation, and may consult with relevant third-parties, including as applicable, Physician Advisors and treating physicians as needed to make its determination.
